

**TEU CONSERVICES LTD
QUALITY POLICY STATEMENT**

TEU CONSERVICES LTD

specialises in the production and/or assembly, testing, installation, maintenance and trading of prefabricated dwellings, metal structures and other associated products as well as in the inspection, maintenance and service of marine containers.

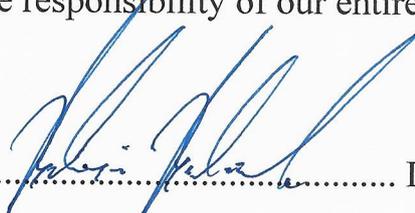

Among the targets of our Organisation is to
achieve established quality objectives
and sustain and continually improve
a Quality Management System based on the requirements of

EN ISO 9001:2015

The Management is fully committed in providing
products and services of the best quality,
and in a manner that will satisfy
all of our customers' requirements.

All of our products and services are provided
by our highly qualified, fully competent and well trained personnel
with an approved, state of the art infrastructure
in accordance to the Cyprus Laws and Regulations
and internationally accepted standards and practices.

The implementation of this **QUALITY POLICY**
is the responsibility of our entire personnel

The Executive Manager:  Date: 10/03/2026
